path to a brighter future!

Upcoming Certificate and Diploma Programs for Fall 2017

All programs will start in Seskehkó:wa/September 2017

Energy Systems Engineering Technician 2 year Diploma / St. Lawrence College

Graduates from our Energy Systems Engineering Technician and Technology (ESET) programs work in exciting new careers as Renewable Energy System Designers and Clean Energy System Project Managers and installers.

General Arts - Behavioural Psychology 1 year Certificate / St. Lawrence College

The General Arts & Science (Certificate) program offers a foundational year for students preparing for future study in a wide range of fields. For students in the Behavioural Psychology stream, core courses in communications, computers, and personal development are enhanced by courses in Introductory and Abnormal Psychology, Sociology, Interpersonal Skills, Interviewing & Counselling, Addictions, Ethics, and Statistics. Graduates of the Behavioural Psychology stream are prepared for future study in the Bachelor of Applied Arts in Behavioural Psychology, a four-year applied degree program at St. Lawrence College.

Business – Accounting 2 year Diploma / St. Lawrence College

The program offers students a background in financial accounting, corporate finance, cost accounting and taxation.

**Deadline to apply:
OHIARÍ:HA/JUNE 16, 2017**
