MOHAWK COUNCIL OF AKWESASNE
February 19, 1999
AKWESASNE BANISHMENT LAW

PREAMBLE

WHEREAS the Mohawk Council of Akwesasne is taking all means necessary to protect the people, and especially the children of the community against the harmful effects of illicit acts and behavior;

WHEREAS Mohawk society has traditionally recognized the importance of the collective rights of the community and the priority of those collective rights over individual rights;

WHEREAS the Mohawks of Akwesasne have Aboriginal and treaty rights and other rights and freedoms that are recognized and affirmed in the Constitution of Canada, which includes self-determination and control over lands, people and resources;

WHEREAS the Mohawk Council of Akwesasne intends to preserve the cultural, political and social integrity of the Mohawk Territory and community of Akwesasne;

WHEREAS the community of Akwesasne wishes to develop a law to punish persons who breach community standards of behavior.

WHEREAS Akwesasne is concerned about the treatment of young persons breaching community standards and will address persons under eighteen (18) years of age in a separate law;

WHEREAS banishment has historically been the method of punishment used by the Mohawk people to penalize members who have harmed the community by offending the community standards of behavior and is the traditional method of punishment for those persons;

WHEREAS this Law, together with the Membership Code, is based on Mohawk customary law which enables the community to expel people who refuse to abide by standards of behavior set out by the community. Consistent with Mohawk Customs, this Law provides, through the warning system, that before such a person is banished they must be given an opportunity to change their ways;

WHEREAS the community of Akwesasne has been consulted through a series of meetings and has given direction to the Mohawk Council to develop a Law to banish a person eighteen (18) years of age or older who has breached community standards of behavior;

WHEREAS this Law establishes banishment procedures when such a measure is mandated in Akwesasne Laws.
