Blood work clinics are held on Mondays, Wednesdays, and Fridays from 8:30 a.m. - 12:30 p.m. at the Akwesasne Medical Clinic. To book an appointment for blood work, please call 613-575-2341 ext. 3207 (Katie Deer) or ext. 3212 (Loretta Smoke).

If you have requested medication refills please call AMC to check if you have a blood work requisition and schedule your appointment.

If you are unable to make your scheduled appointment, please call and notify staff to reschedule as soon as possible. Multiple missed appointments may result in not being booked with AMC blood work service in the future. AMC apologizes for any inconvenience this change in blood work appointments may cause.
