General Meeting Rules of Order

Prologue:

General Meetings are to occur the last Thursday of each month and will occur in each district on a rotating basis in Kawehno:ke, Kana:takon, and Tsi Snaihne.

The exception to this is with the General Meeting Cancellation Protocol: MCR 2015/2016 - #260 *In the unfortunate circumstance where a community member passes in one of the three districts, the meeting will occur as regularly scheduled in the other two districts where the member did not reside. A moment of silence will also be taken in their memory.*

The General Meetings are an opportunity for Community Members to hear information from Council and assist Council with issues that affect the community.

The following General Meeting Rules were originally developed at a community General Meeting in July of 2006. The principles for 'General Meeting Rules' is based on respect for each other, and all attendees are expected to behave respectfully and professionally at all times.

General Meeting Rules:

1. Meetings will start at 6:00 p.m. and proceed to a maximum of 8:00 p.m. at which point the community will be asked if they choose to continue past 8:00 p.m.
2. Personal issues will not be dealt with in a public forum/General Meetings. Personal items can be dealt with on an individual basis with Council Members (or by appointment through the Mohawk Government Office).
3. If you have questions or comments during the meeting – raise your hand and wait to be acknowledged by the Chairperson. The Chairperson will keep note of the order that community members indicate to be acknowledged.
4. Please keep the questions and comments relevant to the point of order within the agenda and be considerate of the time used.
5. A list will be made of issues you wish to address to Council and if the answer cannot be provided at the current meeting, the issue will be taken back to Council table for further discussion and follow-up.

- AFNQL

Ontario Society for Prevention of Cruelty to Animals (OSPCA): I met with Jennifer Bluhm, Vice President of Community Outreach Services, Stephanie Miller, Vice President of Development, and Rob Hunter, Development Officer. We spoke of a partnership between the Cornwall Branch and Akwesasne as we currently do not have any space to take in any dogs when needed. This has been an ongoing community concern. It would greatly benefit the community if they could accommodate us with the possibility of a couple of spaces for Dogs. I spoke about our three districts, and by forming a partnership, they would need to accommodate all three districts with no restrictions. The possibility is also there for them to take cats as well. This is an ongoing project, and they will be doing a presentation to the council very shortly.

Justice Portfolio: At our last Oversight committee meeting, we did a line-by-line of the Oversight Committee terms of reference and minor changes were made. Currently the Oversight Committee is down one member for the Snye district. This spot will need to be filled for any work to be done on the Election law as Chiefs cannot sit on that working group; therefore, by missing a member, they will not have a quorum. The Akwesasne Review Commission is also in need of members in all districts. These seats need to be filled. If interested, please contact Rosebud Cook at Akwesasne Court.

Justice Portfolio had a presentation on the importance of Gladue reports for Indigenous individuals going through the criminal justice system.

A Gladue report is a specialized type of pre-sentencing or parole report used in the Canadian criminal justice system. It is named after the Supreme Court of Canada's decision in *R v Gladue* (1999), which recognized that Indigenous offenders may face unique circumstances that affect their involvement in crime and their rehabilitation.

The report is designed to provide the court with context regarding an Indigenous offender's background, including factors like historical trauma, systemic discrimination, intergenerational impacts of colonialism, residential schools, substance abuse, and socio-economic hardships that may have contributed to their criminal behavior.

Gladue reports aim to ensure that Indigenous offenders are treated fairly and that their unique circumstances are considered in the sentencing process. The purpose is to promote restorative justice, healing, and rehabilitation rather than simply focusing on punitive measures.

The reports are usually written by a trained Gladue writer, often someone familiar with Indigenous cultures and issues. They can also recommend culturally appropriate alternatives to traditional sentencing, like community-based programs or restorative justice approaches, that may better support the offender's rehabilitation.

The Akwesasne Community Justice Employees are trained in Gladue writing. I am also a trained Gladue writer. Akwesasne Community Justice Program will present at an upcoming General Meeting

Department of Community and Social Services: Funding has been allocated to assist with the Children's Pow Wow. The Kana:takon Beach Project is ready to begin, there has been a Community Support increase for funeral assistance. Racing Against Drugs will be making a return to Akwesasne. Also, in the works is Fishing for Autism this summer.

The First Nations child and family services Jordan's Principal settlement is officially open for claims as of March 10, 2025. The Federal Court approved the First Nations Child and Family Services and Jordan's Principal Settlement Agreement on October 24, 2023. This agreement aims to provide compensation to individuals harmed by the discriminatory underfunding of the First Nations Child and Family Services Program and those impacted by the federal government's restrictive interpretation of Jordan's Principle. The \$23.34 billion settlement follows compensation directives from the Canadian Human Rights Tribunal in 2019, which investigated systemic discrimination against First Nations children and families. There are ongoing community sessions for those needing assistance.

Health: Dr. Horn presented a very impactful presentation to the council on the Environmental contaminants within Akwesasne. These environmental risks are leading to many illnesses within the community. An upcoming community presentation will take place.

Amber Montour has resigned from her position as Health Director, I would like to thank Amber for all her hard work and dedication while she was in her role. Tessa Jocko is currently in the acting position. I would also like to welcome Mary Terrance as the new Associate Director for Mental Health and Wellness.

In regards, to Jordan's Principle, there were 126 applications with a decision given from our Jordan Principal office for this fiscal year. Currently they have 261 applications in 231 have and ISC number 30 do not as of now.

Public Safety: On going concerns with loose dogs have been a community concern. Currently, there is no place to keep animals. I hope that, with a partnership with the OSPCA, this could be a short-term solution. Community concerns regarding the helicopters are ongoing. Acting Chief of Police Swamp said this is happening all over Canada and is not just centered on Akwesasne.

CBSA: Council meet with President of CBSA Erin O’Gorman and other CBSA individuals. Introductions were done for new council members. Council addressed concerns regarding the possibility of border concerns due to the increased surveillance of the border. CBSA said that they have no plans to make it difficult for Akwesasne residents at the border. Border Collaborative Initiative (BCI) working groups will be resuming at the beginning of April. These groups are Dundee Port, Cornwall Port, Preclearance, and Communications. A new group will likely form regarding the Dundee port remission. It is our hope it will be like the remission order with the Cornwall port. These groups are very important so that Akwesasne’s voice is heard, and we are involved with CBSA.

Kana:takon District Meeting: We had seven community members in attendance at our district meeting. Main concerns were road issues and when the roads are going to be repaired. It was relayed that these roads are on the list to be redone. Also, there are concerns about support for the Kana:takon recreation as it is in need of repair as well as the parking lot. This is currently being looked into.

March 17th - March 20th. Gathering of the AFNQL Elected Women's Council (EWC) with Chief Sarah and Chief Tesha.

Topics covered included a presentation from the Charter of Equality between First Nations Women and Men of Quebec Native Women. Decision points regarding Governance and Committees within EWC. A vote took place amongst the EWC for Spokesperson Nominations. Our very own Chief Tesha Rourke was nominated and chosen as one of three Spokespersons for the EWC, was a very proud moment to be part of. On the final day we had a meeting with the Regional Chief of the AFNQL. Mr. Francis Verreault-Paul was very open to hearing what the concerns are regarding having our voices heard.

This monthly report is provided as part of Council's aim towards providing a transparent and efficient governing system, which will also provide information to members of the community on updates of Mohawk Government, Portfolios, and Monthly Activities.

Monthly Notables:

- Attended the General meeting for the Month of February where a number of presentations took place. Law Enactment Process, Jordans principle update, Border issues, deer Chronic Waste Disease, DIHE Road Maintenance and Capital Plan, Beaver Reductions, Cairn Island, ED update, CEO update and Business from the floor.
- Participated in the Governance Committee meeting that took place in looking at layouts of the Boardroom in order to get it to accommodate Council for public viewing with room to have cameras and speakers for all Council.
- Attended the Monday Council meeting on Monday which was held at the admin 1 Boardroom. A number of MCRs were presented for approval by Council and all were passed. Council participated in a presentation from Canada Post. Canada post would like to improve the relationship between them and Akwesasne. They would like to post all the jobs with a QR code and would like to have the job position in Mohawk as well. They talked about the issues with mailing. 5 years ago, all the Community had one postal code. One postal code is for mail boxes and one postal code is for homes.
- Participated in the Finance presentation to Council on Budgets.
- Participated in Border partners meeting. Transition across the Border will remain Status quo for our Community members.
- Attended a prep session for a meeting with Transport Canada on lands.

- Participated in a Transport Canada Land disposition meeting. They have some shoreline lands that they don't have use for and would like to see if Akwesasne has use for the lands. We will be getting back to them soon.
- Participated in Emergency Roles and Responsibilities training with the EOC. There is a binder that needs to be updated to include all the issues that we need to address today during Climate change etc.
- Attended the Monday Council meeting on Monday which was held at the Admin 1 Boardroom. Many MCRs were presented for approval by Council. Council participated in a presentation from William Clute on fishing Regulations. William talked about the fish heading up river during certain times of the year. We have non residents coming into our waters to fish and it seems there is no limit on what they are taking out of the water. We currently have one Compliance officer in the Organization and there should be more Compliance officers to help patrol our waterways. Recommendations on placing Buoys out there on certain areas to protect the population of fish so they may replenish. A map of protected areas should be issued.
- Participated in a presentation on Budgets from Finance.
- Attended the Health Portfolio Meeting where we had a presentation from two Doctors. There is a language Barrier when doing licenses in school. We need to support this in order to obtain more Doctors in the future for our Community. The French Language barrier will be brought up in our meeting with the Minister next week.
- Participated in meeting with the President of CBSA along with a A/ Chief of Police Council. Akwesasne is looking at ways to improve our transitions through the Border.
- Attended the Governance meeting and the Admin 1 boardroom set up was on the list for moving around to accommodate Council meetings for Public camera. The layout was not a good layout due to the size of the Boardroom and equipment that would need to be set in place such as the camera. Also need to look at seating for Presentations to Council.
- Attended the Monday Council meeting on Monday which was held at the Admin 1 Boardroom. Many MCRs were presented for approval by Council. Council participated in a presentation from Dr Horn.

- Participated in the Kana:takon District meeting, Discussions on Portfolios, the parking lot at the Rec, fixing the Recreation Facility as it is aging. We discussed the Road projects as there are many pot holes in the Community and we talked about housing needs. This will be sent to the Director and the Roads Manager to remedy. There also needs to have new roads and this is currently being worked on by the Department of DIHE. A local business owner asked about funding for renovations. The answer: there is funding for renovations if you have children living in the home. Housing does offer housing renovation loans, but you must reside in the home in order to be approved for this. All renovations and upgrades to homes will go through Housing Program. There was a question if Community members can apply to CMHC directly. I checked into it and the Funding has to go to the First Nations Community Government and then it will be distributed from there to Community members that are looking to build a home. The information has been sent to the Community member so they are not waiting for an answer and can plan accordingly. Currently there are 3 homes a year being built. There was question for the Community that was raised at Council table due to the last General meeting: Do you want to see business from the floor first? This was raised at the Kana:takon District meeting and the answer was YES.
- Economic Development meeting was cancelled by the Director due to a passing member of her family.
- Participated in the Environment Portfolio. A fish study that needs to take place due to the last one being ten years ago.
- Participated in the planning meeting for the visit of Quebec Minister Ian Lafreniere for our Economic Development Challenges.
- Attended the Governance meeting and reviewed the action items to date on communication strategies, boardroom set up, and discussions on the Access to Information Policy. Training will need to be set up with Council. Will bring this to Councils table for an update.
- Participated in a meeting with the Minister of Quebec Ian LaFreniere. A number of issues were discussed on the Language barrier, Economic Development Challenges, Public Safety, Conservation and the fibre to the Home project. The meeting had good conversations, and some action items will be taken back for solutions.

- Attended an awards ceremony on Saturday for the King Charles III medal for Feryn King who received recognition for her hard work and dedication in working with dancing groups. Grand Chief, myself, and family members were in attendance from Akwesasne. Photo op took place with Eric Duncan for Stormont Dundas and Glengarry who was responsible for nominating Feryn for the award. For the Story on this check out the MCA page.
- Attended the Monday Council meeting on Monday which was held at the admin 1 Boardroom. Many MCRs were presented for approval by Council. MCA has a new Associate Director of Mental Health and Addictions Mary Terrance who came in and met with all Council for introductions. We look forward to having her work within the Organization. Council participated a presentation from Tsikwawennatonhe'ts by Kawennahente Cook, Ian Cook Clute and Kyrie Tristary on Cultural Facility they are putting in.
- Participated in the Kana:takon District Elders gathering and helped prepare food for their gathering. It was a really nice turn out where the Elders gather and play games and enjoy a meal together.
- Participated in the DIHE Portfolio meeting where I gave a list of Roads that need to be reconstructed.
- We participated in a Special Council meeting where we passed two MCR's. One for AMBE to get a grant for 100K every year for Three years for cultural activities. The next MCR for was AMPS to get an Amphibian vehicle to help with rough areas of the Community in the event Emergency issues arise and they are required to attend the rough turf. They are also willing to work with the Fire Department with the machine.

DIHE Updates:

Hamilton Island Healing Centre/ North Shore of Hamilton Island. The location needs to be identified in order to move forward with this project.

Kawehno:ke Clinic/MCA Records repository – (CIA#3 site) The environment assessment and geotechnical investigation is in progress. Project awarded to Consultants firm A49 and contract has been signed. There were questions on the wording of the contract and Legal has reviewed the Contract and has been approved. Project is still ongoing.

Tsi Snaihne Admin Building – St Lawrence Testing has completed the geotechnical investigation report regarding surcharging the site with enough capacity to allow slab on grade construction, but also recommends piling. Furr Architects are to update the proposal. This project will be a single story due to the location of the building in which the soil conditions determined.

AMS school addition – DIHE has sent out the RFP for design consultants services.

Building Conditions Reports have been done on a number of MCA Facilities. An RFP will be going out to initiate the ISC ACRS Report for all building assets.

Iakhihsohtha Kitchen Renovations – Design is complete and renovations will begin in the spring. The kitchen will be closed during the renovations. Discussions on management procedures during the renovations are taking place. Funding will be looked at for this project.

Capital Plan Update – Consultants have been meeting with Directors and Departments. This is 60% complete.

Iohahi:io Portable Classroom project is 99% complete. Work on the slab for the building will be next steps.

Kana:takon Beach project is tender ready.

New Snye School – Preliminary design is completed. A community consultation will be scheduled, once 3D elevations are finished by the design consultants. AMBE were informed that funding needs to be sought in order to move forward on design.

Roof Condition Reports – Snetsinger Consultants has been initiating roof assessments on the Health Facility, Admin 4, Central Police Station and found all are in need of repair. Additional buildings have been added to the list that include CIA#3, WWW plants, AMS School and Snye School. Proposals have been submitted by roofing consultant to DIHE for AMS and Kanonkwatsheriio health Facility to prepare design/tender ready package.

Road Projects- DIHE is working on RFPs to obtain a consulting firm for an Engineer of Record for detail design to achieve tender ready projects for road replacement/repairs for priority roads. There are numerous roads in need of repair in all three districts. DIHE are looking at bundling the project based on the Roads report that will be coming out in 2 days from the assessment that was done.

Community Water Connections – in collaboration with WWW, OS DIHE and Jp2g consultants. The first priority is waterline connections in Snye took some time to resolve. Drawings are being completed and other residents in Snye have been notified and data, paperwork has been collected. Project is ongoing.

HVAC for Schools will be tender ready in March. The need to reduce power consumption is being looked at in order to accommodate power for air conditioning. LED lighting will be installed in the facilities. Pending funding, construction can begin in and scheduled for next summer.

Kawehno:ke Rec Court - the lacrosse wall is too heavy and sinking into the court pavement. Need to remedy this or take it out completely.

Mohawk Council of Akwesasne- Operating Budget Plan 2025-2026 by Heather Phillips

March 3rd, 2025 Admin 1 Boardroom

Changes were made to budget which reallocated some funding areas from OLG funds to FNCFS funding and reserves as OLG funds don't have tight restrictions and can be allocated towards Capital builds.

A community presentation will follow.

Border Partners Monthly Meeting- MCA, SRMT, CBSA, USCBP

March 3rd, 2025 Zoom

Discussion around creation of record increase of requests by community members born in Canada with dual citizenship have been on the rise due to Licenses, FAFSA education funding and employment. Council stated that the creation of record as known as green card is not a avenue Council supports community members to proceeding with as it violates our standing Jay Treaty Agreement. Further joint discussions will continue on this subject.

As of May 2025, a Real ID is needed for any domestic travel within US, forms of Real ID are enhanced drivers license and passport. It was noted that Red Card and Tribal ID will no longer be accepted for domestic flights and only honored as travel identification when traversing through land border crossing.

March 4th, 2025 OPG Visitor Center Boardroom

Overview of Cornwall property profiles, focusing on parcels CW-001-05 and CW-001-06, previously identified as areas of interest.

Joint interest from past council and the City of Cornwall in acquiring parcel CW-001-01 for the Port of Cornwall joint venture.

Informal interest in two non-operational Iroquois parcels, which are not part of the strategic portfolio but remain relevant.

Request to confirm the new council's continued interest in these properties, discussion is still ongoing.

ENIENTHIHSWANON:NA CHILDS LAW WORKING TASK GROUP

March 4th, 2025 Justice Boardroom/Teams

The working task group was notified that Connie Lazore has withdrawn from Oversight Committee as district of Tsi Snaihne Community representative. A callout has been made to the community for interested Tsi Snaihne members to apply.

Child's Law is currently being reviewed by legal with a tentative review completion of 3 weeks turnaround time.

March 18th, 2025 Justice Boardroom

The working task group was joined by Wentanoron Jacco, a Mohawk language speaker from AEDA. A review of Mohawk language and terms incorporated within law was reviewed and proper pronunciation was provided to all members to ensure that the correct terminology is used within law. Wentanoron will continue to collaborate and work alongside the working task group for a multi session review and implementation.

Onkwe's 2nd Annual Nation to Nation Food Sustainability Conference and Swap

March 8th, 2025 Mohawk Nation Longhouse

Onkwe recently held its second annual Nation to Nation Food Sustainability Conference, a powerful step toward reclaiming our food systems and restoring the balance between land, culture, and community.

Over the weekend, Akwesasnon and visitors gathered at the Mohawk Nation Longhouse to share knowledge on seed saving, traditional planting, rainwater harvesting, restoring Onkwehonwehnéha ecosystems, and more. Hands-on activities like mushroom cultivation, elderberry propagation, and a community swap provided participants with the tools to support food sovereignty at home. The event also featured a screening of *Tentsitewahkwe*, a film by Katsitsionni Fox.

STRENGTHENING PARTNERSHIPS: MCA MEETS WITH MINISTER LAFRENIÈRE

On Friday, March 21st, MCA welcomed Ian Lafrenière, Quebec's Minister Responsible for Relations with the First Nations and the Inuit, to the Kana:takon Recreation Center. While he is no stranger to Akwesasne, this visit marked his first official meeting with the newly elected 2024–2027 Council. MCA's Grand Chief and District Chiefs provided updates on our community's advancements, needs, and priorities, highlighting key areas such as healthcare access, border safety, economic development, and conservation efforts. Discussions reinforced the importance of strong partnerships to ensure Akwesasne's concerns are heard and addressed at the provincial level.

YOUTH ELDERS CULTURE & LANGUAGE

On Friday, February 21st, the Mohawk Council of Akwesasne held a swearing-in ceremony to welcome the newest members of the Akwesasne Youth Council (AYC). This event marked a significant moment for the community as Cayde Lazore, Starlyn Mason, Iiokonhahes King, and Taylor Day officially joined the council. YECL members will join the council at March 27th, 2025 General meeting for community introduction.

DEPARTMENT OF HEALTH CELEBRATES DR. HORN FOR 10 YEARS OF DEDICATED SERVICE

The Mohawk Council of Akwesasne's Department of Health would like to extend our heartfelt gratitude to Dr. Horn for her remarkable 10 years of dedicated service to our community. Over the past decade, Dr. Horn has exemplified unwavering commitment, compassion, and excellence in her work, making a profound impact on the lives of her patients.

Dr. Horn's tireless efforts and dedication have not only enhanced the well-being of our community members but have also fostered a spirit of compassionate care that resonates throughout the Primary Health Care Team. Her contributions have been invaluable, and her legacy of service continues to inspire us all within the Department of Health.

Through Dr. Horn's work with medical students and residents, the Department of Health now has two other Indigenous Physicians that work within the Primary Health Care Team.

As we celebrate this significant milestone, we express our deepest appreciation to Dr. Horn for her unwavering dedication to the health and wellness of the community. Nia:wen (thank you), Dr. Horn, for your exceptional service and for being a beacon of hope and care in our community.

KING CHARLES III CORONATION MEDAL CEREMONY RECOGNIZES AKWESASRONON HONOREE

On Saturday, March 22, a ceremony was held to present the King Charles III Coronation Medal to individuals recognized for their leadership, perseverance, and contributions to their communities. Among the recipients was Akwesasronon Feryn King, who was nominated for the honor by Member of Parliament Eric Duncan.

King was recognized for her dedication to youth and the arts. A talented hoop dancer, she has shared her skills with many young Akwesasronon through classes and performances. Her passion for her craft also led her to perform with Cirque du Soleil.

Monthly Report

Chief Vince Thompson

Portfolio: Department of Infrastructure, Housing and Environment, ARRO, Economic Development, Nation Building

Selected Committees: Chiefs Committee on Housing and Infrastructure, Iroquois Caucus Harvest Working Task Group (ICHWG), Property Acquisition Team (PAT), the Youth and Elders Cultural Committee, CBSA, Akwekskowa

During this period, I attended all the required MCA Council and Portfolio meetings, remaining actively engaged in discussions and decision-making. I would also like to extend my deepest condolences to the many families in our community who are grieving recent losses. My thoughts are with you, and I hope you find strength in the support of family, friends, and our community.

Coteau-du-Lac National Historic Site (Quebec)

I attended a meeting concerning the Historical site. A follow-up meeting is scheduled for April.

NYS Land Claim Update

I participated in a virtual meeting where updates were provided on which entities and organizations had signed agreements. Community updates will be shared soon.

Kawehno:ke District Meeting

Key topics of discussion included concerns regarding moose hunters whose game had been confiscated — this issue is being investigated with a follow-up to occur. The possibility of creating a community cultural center was also raised. Additionally, more information was requested regarding the First Nations Child & Family Services (FNCFS) settlement claim, with further details to be provided at the next district meeting. Community consultation sessions on this topic have already taken place by the time of this report.

Economic Development Portfolio Meeting

Discussions were held regarding taxation and transportation of goods and services through the community. Meetings are being scheduled to further explore these concerns, with Cornwall invited for collaborative discussions. A follow-up meeting with the SIBC Board is

also planned. Concerns were raised over U.S. border policies, specifically regarding tariffs and their potential effects on Akwesasronon pursuing post-secondary education in the United States.

Enbridge Natural Gas Update

Ongoing discussions are being held regarding the lack of consultation on natural gas expansion in the Glendale subdivision (Nutfield Tract). Updates continue to be provided.

Nation Building Portfolio Meeting

The Nation Building team continues work on the ESGA, with upcoming talk show sessions on CKON to provide updates. An upcoming community survey will also be shared.

DIHE Portfolio Meeting

The Space Needs Committee has been revitalized and requires the appointment of a portfolio chief. Discussions included the reconstruction of MCA's Admin. #2 Building in Kana:takon, a review of capital project priorities, and the road maintenance schedule for Summer 2025, which was also presented at the February General Meeting. Concerns regarding Wade Lafrance Road were raised due to culverts being impacted by the beaver population — alternative solutions are being explored.

Entewatathawi Negotiation Prep Meeting

Discussions focused on administrative issues with Canada, legal responses concerning conflicting laws within the ESGA, and the need for further talks on human rights protections. The divestment of real property (land released by the federal government that Akwesasne has the right of first refusal on) was also reviewed.

Canada Post Update

Canada Post presented the potential expansion plans to the Grand Chief and Council. Further follow-up is needed.

Business & SIBC Meetings

I attended a local business meeting regarding SIBC's proposed toll fee increases, providing updates and discussing possible solutions. Additionally, Chief Scott Peters and I attended an SIBC meeting to request delaying the toll booth increase from April 1, 2025, to the summer. MCA submitted an official letter to SIBC for consideration.

Fish Population Concerns

Community members raised concerns at a weekly Council meeting about overfishing in our territory by non-community members. MCA is working with the Environment Department on new conservation measures.

Budget Review & Membership Board Updates

I attended the budget review meeting provided by the Department of Finance & Administration. I also participated in the OVS Chief's Committee meeting regarding the Akwesasne Membership Board, where a community concern was raised about the membership code. OVS administration is following up.

ESGA Negotiations

Nation Building negotiations between Canada and MCA continued, with fiscal updates provided. Mark Carney was announced as the new Prime Minister of Canada. Discussions covered land divestment, confidentiality clauses, and ESGA's recognition of Akwesasne's jurisdiction over land and environmental protection. Transport Canada's commercial traffic on the Seaway was also reviewed.

Minister Ian Lafrenière's Visit to Akwesasne

I participated in an in-person meeting at the Kana:takon Recreation Center with Quebec's Minister Responsible for Relations with First Nations and the Inuit, Ian Lafrenière. MCA leadership provided updates on healthcare access, border safety, economic development, and conservation efforts. I presented on language concerns and conservation priorities, emphasizing Kanien'keha language revitalization over French language requirements. I requested that Minister Lafrenière reach out to Heritage Canada to support our language programs. We also discussed the need for partnerships to fund a conservation program, reinforcing Akwesasne's right to govern its lands and waters. Follow-up discussions will take place at the next meeting.

ARRO Portfolio Meeting

Updates were provided on cultural awareness training for CBSA and the Ministry of Natural Resources, with the Iroquois Caucus leading the initiative. Cairn Island's return was also discussed, with the Township of South Glengarry inquiring about a potential ceremony. Further details are being determined by Council.

This concludes my report at this time. If I have missed any details, my fellow chiefs may provide additional information and clarification as needed.

MY FIRST SIX MONTHS AS DISTRICT CHIEF ...

As I have been stating, I am still “learning the ropes” of a District Chief. Attendance at my Portfolio Meetings fills up the calendar. As an example, for the DIHE Portfolio there are three (3) separate meetings that includes

Infrastructure, Housing and Environment. There are several different meetings of Entewatathá:wi Portfolio as well. While in attendance at the committee meetings of the Chiefs of Ontario (COO), I find there is information that is beneficial for myself and the departments. I am also trying to schedule some one-on-one meetings with the Directors of my portfolios to discuss and gather additional information on their programming. So yes, there is a lot of learning to be had, and work to be done. I believe Council should have had a strategic planning session at the beginning of the term. A date is presently proposed to possibly take place at the end of the Onerahtókha/April. I look forward to this and will assist me in what my goals and tasks will be over the course of my term. Of course, there are also other challenges faced, on top of time and stress management. It is also important to take care of my mental health, as there are challenging decisions to be made at the Council table. There will be discussion on portfolios within the next few weeks, I

would like to continue with the Portfolios and Committees that I presently sit on. I am still learning and may consider a change up for the next review of portfolio selection. Other areas that I want to make a different is in “language and culture”. I look forward to continue to learn and hoping that I can continue to be efficient in my work and make that change that everyone wants to happen.

Are your satisfied with how Council is working and reporting to the community?

If you want change, what would that be?

MONTHLY REPORT

- Attended the **General Meeting** held on Enníska/February 27, 2025 at the Snye Recreation Center. Petition to amend the Akwesasne Election Law was a main focus. The Director, Akwesasne Justice Department provided a presentation on the Akwesasne Legislative Enactment Procedure Regulation (ALEPR). A copy of the ALEPR is available at www.akwesasne.ca for complete viewing.

- Attended the weekly **Council Meetings** on Enniskó:wa/March 3rd, 10th and 17th, 2025. I was not feeling with and was out of the office for the meeting on Enniskó:wa/March 24th, 2025. Meetings are normally held in the Admin. #1 Boardroom. Agendas includes review and approval of Mohawk Council Resolutions (MCR), presentations as requested, other topics of discussion that arise. Council Meetings will be going live for community members, the projected date is Ohiari:ha/June 2025.
- **Kawehno:ke District Meeting** was held on Enniskó:wa/March 24th, 2025 at the Kawehno:ke Recreation Centre starting at 6 pm. I was not feeling well, therefore was not in attendance.
- **I will be away from the office from Onerahtókha/April 19-26, 2025.**

Board of Trustees include: Kawehno:ke District: Kathleen Papineau ~ Chair, Kuy Chaussi ~ Co-Chair, Kana:takon District: Cecelia King, Elizabeth Sawatis, Tsi Snaihne District: Josephine Herne, Mary Terrance.

- **AMBE holds monthly Public Meetings.** The first part of the meeting is reserved for parents, community members, Totas to participate. **Next meeting is scheduled for Onerahtókha/April 15th, 2025 on Kawehno:ke (Building Blocks Office) starting at 5:30 pm.** Get out and meet members of the Board of Trustees to discuss concerns, receive updates, etc.
- **Portfolio Meeting** was held on Enniskó:wa/March 7th, 2025. Updates were provided by the Director of Education and Portfolio Chiefs. The next meeting is scheduled for Onerahtókha/April 4, 2025. Discussion will focus on Regional Education Agreements (REA). *REA are tailored agreements that outline the design, implementation, and management of education systems, particularly for First Nations. They ensure that base education funding is comparable to provincial systems while considering factors like remoteness and socio-economic conditions. As of April 2024, 10 REAs have been signed, with discussions ongoing for more agreements to advance education goals. These agreements are administrative in nature and do not confer law-making powers or remove First Nations from the provisions of the Indian Act.*
- **Have you seen or used iMohawk yet?** iMohawk is AMBE's interactive website where you can learn Kanien'kéha anywhere and at anytime. Click the link <http://imohawk.ambe.ca/> and use password: skah123 to log in.

Enniskó:wa/March 31st is National Indigenous Languages Day and an opportunity for Indigenous and non-Indigenous peoples in Canada to recognize and celebrate the very rich and diverse heritage of Indigenous languages. Indigenous languages embody Indigenous cultures and histories.

- AMBE is presently doing a **Call for Service of Caterer** for the AMBE Cultural Celebration Student Lunches. Delivery dates are Onerahtokó:wa/May 22nd and 29th, 2025 at the Anowarako:wa Arena. Submit a letter of interest and quote to Alice King alice.king@akwesasne.ca
- **Be sure to check out the FB page Ahkwesashne Mohawk Board of Education for additional information on events, activities, etc.**

Rachel Lazare, Project Manager | Nation Building ~ Entewatathá:wi “We Will Govern”

Mission: *To negotiate a self-government agreement with Canada that recognizes expanded jurisdiction and authority and protect the Aboriginal rights and title for the Mohawk of Akwesasnes.*

Vision: To implement the inherent right of self-government of the Mohawks of Akwesasne through the Akwesasne-Canada Entewatathá:wi Self Government Agreement.

What is the purpose of the Entewatathá:wi Self Government Agreement (ESGA)?

The purpose of ESGA is to achieve legal recognition by the Government of Canada of the jurisdiction, authority, and institutions of the Mohawks of Akwesasne. Once the ESGA is ratified, Parliament will adopt legislation that will give ESGA the force of law. The legislation will be binding on the Government of Canada and the provinces. The legislation will terminate the application of many of the provisions of the Indian Act which represents a colonialist vision of limited self-government that is inconsistent with the inherent jurisdiction of the Mohawks of Akwesasne.

- All working tables are on hold until the election is completed due to the upcoming federal election. The federal government is in “**caretaker**” mode during the election campaign. It will remain in this mode for weeks following. This means public servants must act in a mutual way and all government activities related to policies are on hold until the caretaker mode is lifted.
- The team will focus on the **community survey**. There will be in-person survey sessions, meetings with groups. The survey will be launched at this month’s General Meeting up to Onerahtóhkó:wa/May 8th, 2025. There will be weekly prize drawings. *Your input is valued, be sure to participate in the survey.*

CONFIDENTIALITY CLAUSE The Mohawks of Akwesasne and Canada acknowledge that the draft Akwesasne-Canada Entewatathá:wi Self Government Agreement is still under negotiation and therefore, is of a confidential nature. This information is shared by Mohawk Council of Akwesasne for the sole purpose of allowing Akwesasne members to participate meaningfully in community consultations and shall not be disclosed outside of the membership.

- Members of the **Elders Advisory Council** include: Bernie Lazore, Laura Francis, Nadine Jacobs and Lucy Papineau.
- The next portfolio meeting is scheduled for Onerahtókha/April 2nd, 2025.

Cactus Cook Sunday, Director | Akwesasne Justice Department

Mission: Equity, fairness and respectfulness. AJD employs the principle of natural justice to empower the community to safeguard collective rights, primarily, and individual rights for Akwesasró:non, while remaining respectful of the community’s heritage and culture.

The **Akwesasne Justice Department (AJD)** is recognized as a first in Canada as a justice system that is based on customary laws which incorporate traditional restorative principles in the three (3) main responsibilities of government: Law Making, Adjudication and Enforcement.

- **Portfolio Meeting** took place on Enniskó:wa/March 13th, 2025. Updates were provided on department funding, strategic planning, service overview, legislative services. The department will be conducting surveys to gain input on what type of services the community would like to see. More information will be announced. The Department is presently reviewing and developing a strategic plan. *The next meeting is scheduled for Onerahtókha/April 10th, 2025.*
- Attended the monthly meeting of the **Oversight Committee on Legislative Development (OSC)** on Onerahtókha/March 12th, 2025. *The next meeting is scheduled for Onerahtókha/April 3rd, 2025.*

- As part of the OSC, I sit on the Eniethihswanon:na Child's Rights Law and Fire Law Working Task Groups (WTG). The working task groups review and discuss the development of community laws and meet every two weeks.
- *The next meeting of the Eniethihswanon:na WTG is scheduled for Onerahtókha/April 1, 2025.* The WTG will be reviewing and making the effort to learn the Kanienké'ha words that are included in the law.
- The Fire Law WTG will require the participation and input from a local Fireman. Individual to be confirmed then a meeting will be scheduled.
- **OSC Community members** include: Gary Cole | Kawehno:ke District, Doris Cook | Kana:takon District. Tsi Snaihne district presently has a vacancy.

Committee's Updates

- **Governance Committee** (consists of myself, Chief Cindy Francis-Mitchell, Chief Theresa Jacobs, Chief Scott Peters)

The Committee has been meeting weekly and continues to examine the requirements to hold public meetings for the weekly Council Meetings. *The proposed implementation for public meetings is Ohiari:ha/June 2025. More details are forthcoming and will be announced.*

- **Youth, Elders, Culture and Language** (consists of myself, Chief Fallon David, Chief Lacey Pierce, Chief Tesha Rourke, Chief JoAnn Swamp, Chief Vince Thompson)

Meeting to be scheduled. The Committee will be working on the Terms of Reference/Charter and will be reviewing and finalizing the budget. The Committee will also be working with the members of the Youth Council.

- **Chiefs of Ontario First Nations Women's Council (FNWC)** (consists of myself and Chief Tesha Rourke) Attended a meeting on Enniskó:wa 21st, 2025. Meetings are held monthly. Topics for updates and discussion were as follows: MMIWG2S+ (missing and murdered Indigenous women), anti-racism campaign, request for a youth & knowledge keeps tri-council meeting. *The next meeting is scheduled for Onerahtókha/April 25, 2025.*

The mandate of the Council is to ensure that a gender lens is applied to all the work and initiatives undertaken by the Chiefs of Ontario (COO). Meetings are held on a consistent basis and coordinated by COO staff.

- **Chiefs of Ontario Chiefs and Technicians Committee on Language and Learning (CTCLL)** Attended my first meeting on Enniskó:wa/March 6th, 2025. *The next meeting is scheduled for Onerahtókha/April 3rd, 2025.*

The CTCLL is also mandated to provide technical and political advice, recommendations and strategies to the Ontario Regional Chief, the COO Leadership Council and the Chiefs-in-Assembly on all matters related to First Nations languages and learning.

- **Chiefs of Ontario Ontario Bilateral Education and Learning (OBELT)** I participated on my first meeting of the OBELT held on Enniskó:wa/March 26th, 2025. *The next meeting is scheduled for Onerahtókha/April 30, 2025*

In November 2020, COO withdrew participation from the Assembly of First Nations Chiefs Committee on Education and the AFN National Indian Education Council. Since then, OBELT (Ontario Bilateral Education and Learning Table) was established as a bilateral partnership on Lifelong Learning between First Nations in Ontario and Indigenous Services Canada.

Key priorities of OBELT: Governance and Advocacy, Kindergarten to Grade 12 Education (Ontario Technical Table Interim Funding Approach), Post-Secondary Education, Adult Education, Education Partnerships Program, Education Infrastructure

OBELT is a monthly meeting that is separate from the CTCLL meetings.

This monthly report is provided as part of Council's aim towards providing a transparent and efficient governing system, which will also provide information to members of the community on updates of Mohawk Government, Portfolios, and Monthly Activities.

Here's a recap of notable events:

- March 3rd- went line by line for the FY 2025-2026 Operating Budget with the Director of DIFA
- March 4th -Border Meeting key discussions were the overview of the Certificate of Record, hunting clarification, Real IDs and Prohibited food items, and the Road Shark for the North Bound Lane
- March 4th - Transport Canada Seaway Land disposition in Cornwall and Iroquois area. 46 properties in the land back in Ontario may be of interest to Council. Divestiture of Federal Real Property is with the CLC essential to the government real estate professionals to manage.
- March 7- Attend the Jay Treaty Border Alliance's initial technical meeting. Discussed the table leads and I will be on the Safety and Security table. The goal is to prioritize the work in the event of an election. Information sharing about the Right of Entry, Border Crossing Experience, Entry of Goods, and

Safety and Security are the tables to update the convenors. The focus was the tariffs and their impact on First Nation Territories.

- March 8th – Attend a virtual meeting on International Women’s Day topics to discuss fostering leadership and resilience to create an environment where indigenous women can feel respected and heard. The theme for this year's events is to reclaim our roots and Indigenous women and transformational leadership.
- March 21- Members of Council had a meeting with Minister Ian Lafreniere in Akwesasne to discuss key topics such as public safety, language bill, economic development, and conservation/environment.
- Attended the Women’s Leadership Council gathering in Quebec City from March 18th to 20th. Key discussed was the project to properly elect women; a vox pop was set for elected women to video record. Updated the Elected Women Council, roundtable discussions on expectations of women council.

Portfolio Meetings

Public Safety Portfolio

- March 6th- Had a role and responsibilities for Council of Chiefs in Emergencies. Identified the top 10 hazards in Akwesasne. The 3 priorities for any emergency are to save lives, protect the property and environment, and lastly restore social, economic, and government activities. There are various levels of emergencies, and there are 7 EOCs for Akwesasne. A summary of the incident command system.

Akwesasne Mohawk Board of Education:

- Program Development and Partnership for the Post Secondary Curriculum is being reviewed by the Director and Superintendent; looking at hybrid and space needs is an issue

- The job posting for the Superintendent of Language and Culture was posted and has 8 applicants. An offer has been made and is waiting to see if they will accept.
- Regional Education Agreement: What are the next steps, and will there be new funding if Akwesasne does not have an REA?

Government Secretariat Portfolio Meeting:

- ARRO, new trustees training will be held in March; then, once training is complete, they will have a separate body.
- Quebec Protocol is being reviewed
- Carin Island was returned to Akwesasne, and plans to have a ceremony
- MCR training is being held for the staff on the new changes to get ready for live weekly meetings.

Department of Health

- Community Health: Celebrated 15 new births.
- March Swim Class: 7 families participated.
- Jordan's Principle: 261 applicants submitted to ISC, awaiting decision.
- EHO and IPAC Team: Conducting colon screening.
- Green Food Bags: 55 participants signed up; 5 bags donated to the food pantry.
- New Hire: Mary Terrance was hired as the Mental Health and Wellness Sector Manager.
- Presentation by Dr. Horn: Reviewed the new Quebec guidelines and their impact on Akwesasne. There is a need to establish an MOA with the 3 parties to work in finding the provincial health act.

Phone: 613-575-2250

Cell: 613-577-5592

Portfolio: DCSS (Dept. of Community & Social Services), DIHE (Dept. of Infrastructure, Housing and Environment), Government Secretariat, Nation Building (Entewatatawi)

Committees: OVS (Office of Vital Statistics), YECL (Youth, Elders, Culture, Language), Hydro QC, POM (Partnership with OPG and MCA), Executive Committee, PAT team, Green Team/Beautification/Waterways.

Monthly Notables:

District Meeting: March 24/25, 6 pm at Iohahiio Bldg.

There were 11 people in attendance, along with the four Tsi Snaihne Chiefs.

The Chiefs started by answering some of the questions from the last District meeting.

Areas of Concern:

Health and Non-Insured: They would like a presentation from the Director and Manager, possibly in April.

Pharmacy is still charging Ontario rates for medicine.

Is the non-insured agreement outdated, and what changes have been made? Is there a salary grid when positions are posted? Are policies being updated? What are we doing about health insurance for our college students? Students don't apply for health insurance on their applications, thinking that MCA or Tribe will pay for their medical bills.

Roads:

People have been asking about the Iohahiio and Fishermans lane roads, when are they going to be fixed. The Chiefs stated it is on the list for this Spring.

Education:

Record of Creation for Students. Chiefs stated they are working together with the Tribe; AMBE is going to attend the session being held at the Tribe on the 26th. The Chiefs are having a meeting with the Tribe on April 15. The US has dissolved the Federal Dept of Education and is now up to the State. This is affecting the College students now. We should have a list of free education on the Canadian Side that the students can apply to.

Question: Do students get a cost-of-living increase like the employees do? They sure could use this. The Chiefs will look into it.

FNCFS and Jordan's Principle:

Community members were in contact with the Southern district representative from Ottawa, and her name is Holly Johnston. She is willing to come down and give a presentation on the two programs. The Chiefs will follow up.

Question: ACFS - would like a breakdown on children in care for one year and how many went home the same year. Would like numbers for the past three years, a breakdown of each year.

Petition:

At the general meeting why did Grand Chief not accept the petition presented to the Chiefs that evening. They accepted the last petition that previous month. Chief's explained that they accepted the petition for removal because that's what it states to do in the election law. The petition brought in the last meeting was to change the election law for that specific area in question, and that is a conflict for the Chiefs to accept; that is why A/ED and CEO accepted the petition.

Finance Committee:

Have they announced who the community members are that sit on the finance committee? Chiefs stated they are still looking for reps from the three districts. There is a community member for the member at large.

Special Needs/Child Rights Law:

For special needs, what radius is being used to service children? Chiefs stated the same as what is used for the heating applications. Special needs is now from birth to grave. Child Rights Law will be doing focus groups within the community for their input. Are there any community members on the committee? The Chiefs will find out. The Child Rights Law is legal and there will be a line-by-line review with the community.

Membership/Residency:

Why do the Police not deal with residency issues? They bring up Human Rights issues right away. Chiefs stated that the residency law is being reviewed along with the membership. The issues being dealt with at the table are enforcement issues.

Fire Hall:

When are we getting a new fire hall? The Chiefs stated that a meeting needs to take place with the firemen to discuss where we are at in terms of the survey that was put out and the funding sources. The meeting was set for Monday, March 31/25, at 6 pm at the Fire Hall.

General Meeting: March 27/25

Executive Committee

Editing of Exec. The director's job description is finalized with Pathways.

Met on March 6/25 regarding a complaint. It was followed up and passed along.

Council Meeting:

The council meeting was held on March 3, 10, and 17 to go through MCRs and Presentations.

The presentations were as follows:

Financial Budget: The Finance Director presented the budget, and a second meeting took place to go through the OLG monies and determine what other projects need to be done.

Raised the funeral donation to \$1,500. Discussed having a Parks and Recreation sector.

Action Item: The Donation Policy needs updating, and a Corporate Policy needs to be worked on.

Fishing Regulations: William Clute

PCB4 Environmental Issue: Dr. Horn

Prep Meeting with Chiefs:

A prep meeting was held on March 14/25 to discuss and address issues for Minister Lafreniere's visit on March 21/25. The four issues will be Public Safety, Language and Health, Economic Development, and Conservation.

One of the key issues is the professional licensing challenges with Bill 96 (French language courses). Quebec provinces are receiving monies for all First Nations, and they don't give any funding to First Nations. Taxation Agreement not having to pay tax at Stores.

Kahnawake has an agreement with Quebec regarding tax exemption on sales of products.

Need to reach out to Cody Diabo for documentation.

Grand Chief will follow up on the Indigenous Language Act for Quebec and Illegal Immigrants.

Special Meeting:

A meeting was held on March 6/24 to take care of some issues.

Lobbying training strategies: There are three different companies we could reach out to.

Many Chiefs didn't want to go the RFP route but to get someone to come in for training.

Possibly a retreat with the Strat plan, cultural sensitivity training, etc.

Letter of support: Fallan Jacobs is requesting a letter of support to gather all the different factions in the community and try to work together. The council decided they needed to work on their government first.

Haudenosaunee Universe: Chief Cindy and Chief Sarah are responding with a letter as to where to apply for funding.

Other Meetings:

Border Partners consisting of St. Regis Mohawk Tribe, MCA, CBSA, US Customs, Mohawk Nation Council of Chiefs. Discussions regarding the changes that are happening at the borders and the Creation of records for the FAFSA applications. The council has asked for a presentation by Tracy Casey for more information on the above issues, especially the FAFSA. Updates will be given regarding the border issues as they receive them. As of now, there are no changes for the people residing here.

Transport Canada Seaway Disposition:

A prep meeting was held with the Council regarding the meeting with the above-mentioned group taking place at the OPG. Transport Canada has a duty to consult with MCA with any lands that become available. The PAT Team should also be on top of this.

Transport Canada Meeting at OPG.

The Grand Chief stated the meeting was not about duty to consult but for a meet and greeting and start conversations about the lands that become available. TC wanted to know if the Council was still interested in any of the land that had become available. There are two parcels in Cornwall and two parcels in Iroquois. These lands need to be transferred to Canada Lands Company and environmental assessments need to take place. MCA will think about this and meet again. Timelines: due diligence with appraisals and EAs.

Question: Why do we have to go to Canada Lands Company? Transport Canada stated that if we didn't, then we would have to go to the Treasury Board.

Chief Lisa and I met with Darlene Bennett of the Canadian Armed Forces. They are located at the Old Nav Can which is under DevCor now. They are planning an Armed Forces Day at Lamoureaux Park in Cornwall from 12-4 pm on June 8. On June 7, with the help of organizers, they will have a lacrosse game with Akwesasne and the students attending the Canadian Armed Forces. They would like the Council to help with advertising, for example in Onkwetake, on the MCA website, etc. The game is free of charge, and any fundraising

group can set up and be a vendor. They also want the Grand Chief to drop the ball during the start of the lacrosse game. The game is at the Anowarakowa Arena.

Emergency Measures Presentation: Roles and Responsibilities of Chief and Council.

How to declare a state of emergency is by an MCR passed at a Council meeting. The Grand Chief or Deputy can declare a state of emergency. You do not have to declare a state of emergency to activate an EOC. EOC can also handle more than one incident. Some exercises were done, and a binder was passed around regarding the EOC.

Action Item: The binders need to be updated.

Nation Building:

A prep meeting was held regarding negotiations with Canada. There has been a conflict in laws, which Canada deems to be right for First Nations to decide. The government of Canada's inherent right came out in 1995, and it is a policy document that is a law. Canada has been using this as their blueprint. If it's going to be changed, then it has to be changed at the Cabinet Level. What was missing from the 1995 document is Human Rights. By 2003 all agreements with First Nations references Human Rights. We need to find out where it impacts Human Rights in the ESGA.

Dept Community Social Services (DCSS)

A meeting was held on March 14/25 with the Acting Director, Val Cook. She gave updates on the following: Redmane Training has started; AMBE overage, Update on Bazil Lazore building, no update on the Snye Youth Hub, Special Needs, according to Org Chart there is special needs project that needs staffing, job descriptions have been sent to HR. The CSP program has raised the funeral expenses and this MCR will be coming to the Table. Land-based healing is doing a lot of activities in the community. Children's powwow at the Arena, Family Wellness will donate to this event. The Beach Project is ongoing. The Whoville house is doing an alternate door for the basement. ABGC MCR will be going to the Council table asking for more funding.

Action Item: Val will send to the portfolio the three top priorities mentioned in the budget.

A question was also asked if there would be room for a subsidy program for the working poor. Val stated they would have to open a file with us, the A/Director will look into this.

Residency Law Amendments: Justice. The Committee met on March 20/25 to go through the residency law amendments.

ACE to KING Tournament at Iakisohta's. I was invited to attend the Tournament by the Activity Directors. It was a nice afternoon playing cards with the Tota's. I was fortunate enough to sit with an elder that spoke the language and we had a nice conversation all afternoon.

Works in Progress:

1. Quebec Protocol Agreement: Renegotiating agreement with Quebec.
Reviewing for finalization.
2. YECL (Youth Elders Culture Language): working on terms of reference and reviewing the Charter.
3. Executive Director position: ongoing.

REQUEST FOR ALLICATIONS: ONTARIO FIRST NATION 2SLGBTQQA+ COUNCIL

Mohawk Council of Akwesasne is looking for a passionate community member to represent Akwesasne on the 2SLGBTQQA+ Council.

Deadline: Thursday April 3, 2025
Email Application to: Kuyra.Chaussi@akwesasne.ca

Monthly Notables:

Tsi Snaihne District Meeting

Topics of Concern:

Cornwall Community Hospital- Working with Kuyra to find a suitable date to meet with Cornwall Community Hospital (CCH). As a newly elected Council, I believe this will be a valuable opportunity to establish a strong working relationship, introduce ourselves, and set the tone for open, respectful, and consistent communication moving forward.

First Nations Child & Family Services and Jordan's Principle Settlement- ACFS offered assistance to community members in submitting claims. *For more information on the settlement and claims please visit fnchildclaims.ca*

Questions from Community Members:

Question: What is the expansion project for the arena? Is the facility now at a break even point (revenue)? Will the expansion generate more revenue?

Answer: I don't sit on DIHE but I can answer from the Economic Development portfolio perspective. This has been a concept since 2018, the Kawehnoke recreation committee has been requesting additional space for many years. Joe Francis previously applied for a grant for a concept drawing we were approved but COVID happened, and the funding was never allocated (no funding agreement was issued) the conversation was picked back up between DIHE Ec Dev and Kawehnoke Recreation to also include education, business innovation center, culture and language revitalization space as well as additional another pad, gym, with a priority for special needs. This is a big picture however we are in concept face, we still have to apply for funding, and we will do community consultation once funding is identified and approved

Question: Chiefs of Ontario, reverse trade show; potential for business/crafters/artists to take part; is that just for Ontario residents?

Answer: Reverse Trade show is not integrated with Chiefs of Ontario, this is a MCA initiative and is open to everyone, Economic Development will also be extending the invitation to our sister communities to attend (it's a Business Expo, for entrepreneurs to access business services and network).

Answer: Chiefs of Ontario Business Directory: They have been to Akwesasne three times and have met with entrepreneurs, this director for specifically for businesses who want to do and able to do business off reserve (procurement specific businesses). Currently they do require an Ontario address, however they are allowing businesses outside of Kawehnoke to be added to the directory, they are just putting an Ontario address- that doesn't mean they have to be specifically in Ontario. They understand our unique community jurisdiction, but they also have to follow funding guidelines which are "Ontario only" they are helping us with all our entrepreneurs. .

Question: As mentioned at the last Snye district meeting there were items of concern expressed that there was a requirement for an Ontario address to take part in some training held at SLC (excludes members of Akwesasne who reside in Kanatakon / TsiSnaihne and the Sourthern portion of Akwesasne). Even though you may live in Quebec / Ontario you might have a driver's license from NYS. Other forms of ID is required as not just our status card is sufficient, they typically look for residency so Driver's License is the norm

Answer: . We are currently working on a solution plan that explores options for students impacted by the educational "green card". This includes looking into whether credits can be transferred if a student decides to switch schools due to these restrictions.

- We provided feedback and suggestions for improvements to the EWC.
- We discussed key points for reflection on governance and reviewed the Terms of Reference to consider possible changes.
- One major update was the decision to increase the number of representatives from one to three. This change was voted on and passed. I was honored to be selected as one of the three representatives for the AFNQL Elected Women's Council, alongside Nadia Robertson and Savanna McGregor.
- We also had the opportunity to meet with Quebec Regional Chief Frances Varreault-Paul. The three of us new representatives sat on a panel with him to discuss how we can best support and represent the interests of the Elected Women's Council.
- I will be meeting with the team soon to talk about next steps

March 21- Went to Iahkiisotha to visit the Totas while they had their Ace to King tournament

During the Minister's visit at the Kanatakon Recreation Center, several important topics were discussed, including:

- Public Safety
- Language and Culture, with connections to:
 - Health
 - Economic Development
 - Conservation

These discussions highlighted the interconnection between language preservation and broader community well-being. A follow-up meeting will take place in the coming weeks to continue these conversations and explore next steps.

COUNCIL TRAVEL REPORT

WHAT: Chiefs of Ontario - 18th Annual Health Forum

WHEN: Feb. 25 - 27, 2025

WHERE: Toronto, ON

WHO: Chief Tesha Rourke

WHY: The 18th Annual Health Forum centered on Intergenerational Health: Empowering the Well-Being of Our Children, Youth, and Families. This event served as a platform to engage with key stakeholders, exchange knowledge on Indigenous health initiatives, and collaborate on strategies to enhance health outcomes within First Nations communities.

- RESULTS:**
- Support IFN Youth Representatives in sharing their harm reduction campaign within the Akwesasne community.
 - Follow up with ISC and Department of Health to ensure funding and resources are accessible for community health programs.
 - Explore partnerships to expand culturally grounded mental health support in schools and community health centers.

COUNCIL TRAVEL REPORT

For Immediate Release:

Enniskó:wa/March 5, 2025

CHIEFS OF ONTARIO 18TH ANNUAL HEALTH FORUM **CHIEF TESHA ROURKE**

Tsi Snaihne District Chief Tesha Rourke recently attended the Chiefs of Ontario's 18th Annual Health Forum in Toronto, Ontario, which focused on which focused on intergenerational health and strengthening the well-being of children, youth, and families. This forum, held from February 25-27, provided an opportunity to engage with key stakeholders, share knowledge on Indigenous health initiatives, and collaborate on strategies to improve health outcomes for First Nations communities.

Chief Rourke was joined by Kawehno:ke District Chief Lacey Pierce, representing Akwesasne in discussions on harm reduction, culturally grounded health programming, and community wellness.

BREAKOUT SESSION SUMMARIES:

Mino-Bimaadiziwin School Wellness Program:

Explored how holistic mental health programming is being integrated into schools to support the well-being of Indigenous youth. Discussed the importance of culturally rooted curricula that incorporate traditional knowledge, storytelling, and community mentorship. Learned about strategies for enhancing emotional, mental, physical, and spiritual health in education settings.

Sahatiha'hara':ne Detox Center, Land-Based Healing & Traditional Medicine:

Attended a presentation by three MCA programs—Sahatiha'hara':ne Detox Center, Land-Based Healing, and Traditional Medicine — which showcased their unique approaches to healing, recovery, and wellness. As a Health Portfolio holder, I attended to support their efforts and learn more about their impactful work. Each program emphasized the importance of land-based healing, cultural teachings, and holistic support in addressing mental health and substance recovery. They highlighted the use of smudging, saunas, feasts, and traditional medicines as essential components of healing, offering an alternative to Western counseling through seers, ceremonies, and mentorship. A particularly moving moment was participating in a comb ceremony, a symbolic act of removing pain and restoring balance. This session reinforced the importance of integrating Indigenous knowledge and traditions into health services, ensuring culturally grounded, community-driven care for Akwesasne members.

To All My Relatives Harm Reduction Campaign:

MOHAWK COUNCIL OF AKWESASNE

Sustaining our inherent rights, facing challenges together to build a strong and healthy future.

Connected with Independent First Nations (IFN) Youth Representatives, who are leading the charge in youth-centered harm reduction initiatives. Learned about the development of a Harm Reduction Toolkit aimed at reducing stigma, promoting safe practices, and fostering peer support. Discussed ways to bring their social media campaign and outreach efforts to Akwesasne to empower local youth with life-saving information.

NETWORKING & COLLABORATION:

- Exchanged contacts with IFN Youth Representatives to support their Harm Reduction Toolkit and discuss opportunities for them to present their "To All My Relatives" campaign in Akwesasne.
- Met with Indigenous Services Canada (ISC) officials to discuss the Health Equity Fund, ensuring funding is allocated to address critical health needs in Indigenous communities. Exchanged contacts and will follow up with the Department of Health to align efforts on health equity initiatives.

RECOGNITION & REFLECTIONS:

I just wanted to take a moment to recognize the amazing individuals who shared their knowledge, experiences, and passion for their work. A huge shoutout goes to Brandon [David], Bonnie [Bradley], and DJ [Danforth] — your dedication and commitment to your programs are truly inspiring. You make us all proud. After listening to your presentations, I felt like my spirit was soaring, like I was on cloud nine. The energy, the stories, and the impact of your work left me feeling hopeful, empowered, and deeply moved. I hope that everyone in the room felt the same way because moments like these remind us why we do what we do. Nia:wen for sharing your wisdom and for continuing to make a difference!

KEY TAKEAWAYS & NEXT STEPS:

- Support IFN Youth Representatives in sharing their harm reduction campaign within the Akwesasne community.
- Follow up with ISC and Department of Health to ensure funding and resources are accessible for community health programs.
- Explore partnerships to expand culturally grounded mental health support in schools and community health centers.

CHIEFS OF ONTARIO FOOD SOVEREIGNTY FORUM

CHIEF TESHA ROURKE

Tsi Snaihne District Chief Tesha Rourke recently attended the Chiefs of Ontario (COO) Food Sovereignty Forum in Toronto, Ontario, on March 6, 2025. This forum provided a space to discuss key challenges, barriers, and programs related to First Nations food security and sovereignty.

Chief Rourke was joined by Kylee Tarbell, Director of Economic Development, representing Akwesasne in discussions on traditional food access, food sovereignty policy, and sustainable solutions. As a member of the Chiefs of Ontario Economic Development Committee, Chief Rourke was invited to sit on a panel to share insights on how food security affects the Akwesasne community.

HIGHLIGHTS & KEY THEMES:

Barriers to Traditional Food Access

- First Nations communities continue to struggle with food insecurity due to rising costs, reliance on processed foods, and environmental contamination that limits hunting, fishing, and gathering.
- Climate change is disrupting wildlife patterns and affecting the availability of traditional food sources.
- A lack of funding and infrastructure for community-based food programs makes it difficult to establish long-term solutions.

Panel Discussion: Chiefs' Perspectives on Food Sovereignty

- Chief Rourke participated in a panel alongside other Chiefs, emphasizing the link between food sovereignty and community health.
- She highlighted Akwesasne's unique challenges, including cross-border restrictions that make transporting traditional foods between districts difficult and the lasting effects of industrial pollution on local land and water.
- The discussion reinforced that food sovereignty is more than food security — it is about preserving culture, traditions, and Indigenous rights to hunt, fish, and grow food sustainably.

Research and Policy Updates

- Presentations from experts, including Dr. Malek Batal and Dr. Kyle Bobiwash, provided insights into food insecurity in First Nations communities and the environmental factors contributing to these challenges.

MOHAWK COUNCIL OF AKWESASNE

Sustaining our inherent rights, facing challenges together to build a strong and healthy future.

- Reports linked food insecurity to serious health concerns such as diabetes, heart disease, and mental health struggles.
- Research emphasized the importance of cultural food security, ensuring access to and knowledge of traditional food preparation to maintain Indigenous identity and well-being.

Programs and Solutions

- Various organizations presented funding opportunities and programs aimed at improving food security in First Nations communities.
- Discussions highlighted school-based nutrition programs, community gardens, and initiatives supporting traditional harvesting, hunting, and farming.
- The forum emphasized the role of Indigenous knowledge in food systems and ways to incorporate traditional practices into modern food security strategies.

TAKEAWAYS & NEXT STEPS:

Funding Available for AMBE Schools

- A major outcome from the forum was learning that funding is available for Ahkwesasne Mohawk Board of Education (AMBE) schools to apply for food security and nutrition initiatives.
- This funding could support school meal programs, introduce more locally grown and traditional foods into cafeteria menus, and develop food sovereignty education programs.
- Follow-up is needed to ensure AMBE can access these resources to benefit Akwesasne youth.

Strengthening Community-Based Food Programs

- There is potential to expand community gardens, support local food producers, and encourage land-based food education programs.
- Partnerships with other First Nations who have successfully implemented food sovereignty initiatives could help Akwesasne develop long-term solutions.
- Additional funding should be pursued for greenhouse projects, traditional hunting and fishing programs, and food preservation workshops for families.

Advocacy for Policy Changes

- Continued advocacy is needed to support First Nations food sovereignty policies, particularly regarding cross-border trade, funding access, and environmental protection.
- Addressing legislative barriers that prevent the transport of traditional foods between Akwesasne's districts is a key priority.
- Collaboration with provincial and federal governments is necessary to push for greater recognition of Indigenous food rights.

MOHAWK COUNCIL OF AKWESASNE

Sustaining our inherent rights, facing challenges together to build a strong and healthy future

The Chiefs of Ontario Food Sovereignty Forum reinforced the urgent need to address food insecurity in First Nations communities while protecting and restoring traditional food systems. This event provided a valuable opportunity to share Akwesasne's experiences, learn from other communities, and identify potential funding and policy solutions.

Moving forward, securing funding for schools, expanding community-based food programs, and advocating for policy changes will be key priorities. By working together, we can ensure future generations have access to healthy, culturally appropriate foods while maintaining our traditional ways of life.

Youth Council Introductions

Taylor Day

She:kon sewakwekon! My name is Taylor Adeline "Kawisahawi" Day. I am deer clan, raised in the district of Kawehno:ke/Cornwall Island and continuing to thrive here today. I started my post-secondary education journey in 2015 after graduating from Massena Central High School, receiving my Bachelors of Arts (Honours) (BA Hons) in Political Science from Carleton University in 2019 and my Juris Doctor (JD) from Queen's University Faculty of Law in 2022. While in post-secondary studies, I volunteered with various on-campus groups in general member and leadership roles that advanced advocacy and policy work involving issues directly relating to Indigenous students, Black students and students of colour, and 2SLGBTQIA+ students. I have been fortunate in continuing my learning journey and using my education through consulting work with First Nations and Inuit communities across Ontario and Inuit Nunangat, gaining direct experience and knowledge of Indigenous laws, Aboriginal law, and Aboriginal and treaty rights from the beautiful communities I have the honour of supporting. I am two-spirit, my pronouns are she/they, and in my free time you can find me playing lacrosse in the yard with my rez pup Milly or catching up on beadwork orders.

Niawen'ko:wa for trusting me with another term on the Akwesasne Youth Council, I promise to always be an ideal representative of Akwesasne youth when bringing our voice to the local, regional, and national tables.

liokonhahes King

liokonhahes is a proud lifelong resident of Tsi Snaihne, deeply connected to her community and heritage.

A graduate of Salmon River High School, she was a dedicated member of the Girls Varsity Lacrosse team and played a key role in securing the Section 10 Championship.

In 2024, liokonhahes earned her Bachelor of Social Work (Honours) from Carleton University. She is now an Akwesasne Representative for the Mohawk Council of Akwesasne's Akwesasne Representative & Advocacy Program (ARAP), where she is committed to uplifting her community. Passionate about addressing barriers that prevent Akwesasne youth from thriving, she works to create meaningful change.

Currently, liokonhahes facilitates the *Daughters of Tradition* program, an initiative that empowers young Mohawk women by fostering cultural pride and instilling traditional teachings. Through her work, she continues to inspire and support the next generation of Akwesasne youth.

Cayde Lazore

Shé:kon, my name is Cayde, and I am honored to be a member of the Mohawk Council of Akwesasne's Youth Council. I care deeply about our people, our land, and our future. Our community is strong because of the generations before us who fought to protect our culture, sovereignty, and way of life. Now, it's our turn to continue that fight—to uplift our youth, defend our rights, and ensure that our voices are heard.

As part of the Youth Council, I am committed to advocating for our people, strengthening our traditional values, and building a future rooted in self-determination. Whether it's addressing important issues, organizing community events, or pushing for meaningful change, I believe we have the power to make a real impact.

I look forward to working alongside all of you to create a better, more liberated Akwesasne. Let's stand together for our land, our culture, and our people.

Starlyn Mason

She:kon, my name is Star. I am from the district of Tsi Snaihne. I am a mother of one, her name is lakonhnano:ròn, her name means - "she has a precious life". Me and my daughter love traveling and spending tons of time together, we both love playing and watching any kind of sport. I am deer clan. I attend the longhouse (socials and ceremony) as much as i can and show my daughter our traditional ways. I am a past initiate of "Ohero:kon" - Rites of Passage, and have completed four years of fasting with Ohero:kon. I also dance jingle, and have attended quite a few powwow's. I've spent a lot of time teaching the younger generations learning how to dance and where the dance comes from. I am a high school graduate, and plan on continuing my studies one day. I currently work with the St. Regis Mohawk Tribe, as a Direct Support Professional.
